A Message From The Mayor and Council

Hardly a day goes by when we do not read a newspaper article, see something on television or hear something on the radio about the skyrocketing cost of prescription drugs. For many of us, a portion of the cost is paid by our regular health care coverage. Many more of us, however, have only limited coverage for prescription drugs or no coverage at all. Often those on a fixed income must make a choice between purchasing their medications or purchasing food for the table.

Your Mayor and Council are deeply committed to the quality of life of our citizens. For this reason, we are pleased to announce the Borough of Leonia Senior Preferred Prescription Savings Card Program. The Program is available to those residents who are 55 years of age or older, or who are totally disabled. Full details are available in this brochure. You may contact GSPOPS at 1-800-633-0037 with any questions or you may visit their website at www.gspops.com.

We are pleased to offer this Program. We hope that those who enroll are better able to afford their medications.

Sincerely
The Governing Body
