CUT ALONG DOTTED LINE

A message from the Mayor and Council:  
 All of us today are faced with the extremely expensive and rising costs associated with healthcare and prescription drugs. It is our senior citizens, living on fixed incomes, that face the greatest financial hardship. Unfortunately, all too often, our senior citizens are forced to choose between paying for medical care and prescriptions or paying for other expenses, with the same limited income. To assist our senior citizens, the Old Bridge Mayor and Council are pleased to sponsor a program which will allow you to receive any needed prescription drugs at substantial discounted pricing. The Township of Old Bridge Senior Preferred Prescription Savings Card Program is available to Old Bridge residents aged 55 or over, or any resident who receives Social Security Disability benefits. For an affordable price of \$20.00 annually per eligible household or \$40.00 for three years of coverage, this program will provide you with discounts of 10% to 50% off regular retail prices of prescription drugs.

It is our hope that this program lends a helping hand to any community member who may be in need of a way to better afford prescription drugs. As always, your Mayor and Council will continue to work on your behalf to find ways to improve the quality of life of our residents.

**Please allow 7 to 10 business days for your application to be processed. Your Senior Preferred Prescription Savings Card will be delivered directly to your home via U.S. Mail.**
