*A Message From Mayor Mary L. Burne
and the Township Committee*

The cost of prescription drugs continues to rise year after year. Fortunately, many people have some form of insurance to help offset these costs. But there are still many residents who must pay for their prescription drugs out-of-pocket, which causes an extreme financial burden, especially on senior citizens.

The Township of Wall is pleased to present the Senior Preferred Prescription Savings Card Program. This is a program designed to provide discounted pricing on prescription drugs for senior and disabled citizens. Eligibility for this program is limited to Township residents who are 55 years of age or older, as well as residents of any age who are disabled and receiving Social Security Disability Benefits through the Federal Government.

The Township of Wall Senior Preferred Prescription Savings Card is designed to offer savings of up to 10% to 50% off regular retail prices for prescription drugs. An annual fee of \$20.00 per household will enroll you in this program. You can begin receiving your discounted pricing as soon as you receive your card; simply present it to your pharmacist along with your prescriptions to be filled. There is no limit on the number of prescriptions covered and there are no income limitations for participation. This brochure will provide you with information on the program.

It is our pleasure to present this program to the residents of Wall Township and we hope that it is a beneficial program to save money for our seniors and disabled residents.
